## ITINERARY

### Day 1

An early morning departure (8am) from Marrakech is highly recommended. The first part of the journey will involve crossing the High Atlas Mountains, passing many charming Berber villages and ascending to the highest peak of Tizi n' Tichka (2,260m) where there is plenty of opportunity to enjoy the picturesque views of the High Atlas Mountains range. The drive continues towards the Dra valley until you reach your desert camp where traditional mint tea will be served as you prepare for your camel trek. The camel trek will take you to the interior of the desert where you will stay overnight, enjoying dinner, camp fires, local desert music under the bright stars of the desert night.

### Day 2

After breakfast at your desert camp, an alternative route will take you back to Marrakech via Ouarzazate where you will discover this city of cinema and local traditional Kasbahs.
